- Engine leasing and financing services; aircraft parts solutions
- Aviation consulting

Customer focus

GECAS offers extensive expertise in aviation finance to delivers client solutions, ranging from structuring large complex finance deals to single aircraft operating lease transactions and senior debt.

Airplanes

 **Narrow and Widebody**
At the core of the GECAS aircraft portfolio are Airbus and Boeing narrowbody and widebody passenger aircraft. Our order book of more than 400 aircraft - including Airbus neo, Boeing MAX, 777s and 787 Dreamliner - offers the latest innovations and technical advancements.

 **Cargo**
With over 90 freighters in our cargo fleet, GECAS specializes in Boeing's 737F, 767F, 777F and 747Fs. We also offer purchase-leaseback transactions on newer freighter types. GECAS is now converting 737-800NG passenger jets to freighters (deliveries starting in 2018)

 **Regional and Turboprop**
GECAS is a leader in the leasing and financing of regional and turboprop aircraft serving 37 operators across 24 countries. Our portfolio of more than 360 regional aircraft include Bombardier, Embraer and ATR airplanes.

Helicopters

 With the industry's largest rotor-wing fleet, our Milestone Aviation Group offers operating lease financing to helicopter operators in 25 countries on six continents. Milestone has a forward order book of medium and heavy helicopter models from AgustaWestland, Airbus and Sikorsky available for lease.

Solutions

 **Leasing**
GECAS offers customized operating and finance type leases to preserve working capital and provide fleet flexibility. Our purchase leaseback arrangements allow operators the use of aircraft asset while eliminating asset residual risk.

 **Secured Loans**
GECAS' PK AirFinance offers senior loans, as well as pre-delivery payment financing, secured by both new and used aircraft and engines.

Engines & Parts

 **Engines**
GECAS buys, leases and finances all commercial aircraft engine types (GE, CFM, Rolls-Royce, Pratt & Whitney, IAE). We provide pooling and guaranteed support products for AOG support worldwide, as well as a variety of financing products (loans and sale/leasebacks).

 **Parts**
GECAS has parts inventory available for sale including avionics, landing gear, air cycle machines, engine starters, flight controls, etc. GECAS offers a comprehensive Aircraft Component Management service to airlines, which includes inventory optimization and parts management.
